

IN-PERSON TRAINING

Complete Anatomy

The Most Advanced 3D Anatomy Platform, now in your University

Complete Anatomy is available through a HEAL-Link subscription. We invite you to join a training session on-site.

Learn how to visualize, manipulate, edit and understand the spatial relationships of anatomical structures with an astonishingly realistic level of detail.

ESSENTIAL IN HEALTH SCIENCES EDUCATION

Diagnosis

Identify health problems from the body's structure.

Treatment

Develop effective treatments and safer surgeries.

Clinical correlations

Connect anatomy and physiology in medical practice.

SESSIONS DETAILS
